Hello - lower Acacia Street is in desperate need of a full water infrastructure replacement. Multiple leaks per week especially in the summer. Please prioritize a permanent solution for Acacia Street. No more patches.

We've had it. The street is totally unsafe for children, pedestrians , cyclists, motorcycles etc. People are going to get hurt on the bad patches on lower Acacia St. The constant noise and jackhammering is ridiculous. Please replace the entire road and replace all water lines. Thank you.
